"For unto us a child is born, unto us a Son is given" Isaiah 9:6

GOD SENT A BABY

Dear Faithful Friends,

Jesus was born into this world needing the same care as any newborn. He was nurtured and cared for by His earthly parents. At age 12, scripture tells us He knew He needed to be in His Father's house. As He grew into an adult, He knew His purpose was to serve His Father and to willingly give His life as a ransom for many on the cross. Throughout His earthly life, He daily depended on His Heavenly Father, even unto death. Praise God, the story did not end there! Through His resurrection, a path to eternal life for ALL who would receive Him was secured.

As the Christmas Season and a new year will soon be upon us, perhaps it is a fitting time to ask ourselves the following questions- Who am I leaning on in life? Who do I depend on to keep and sustain me, especially in times of pain, failure, and hardship? As I daily live, give, and serve, how can I remain vigilant to "do the will of my Father?" Many of our clients don't yet know Jesus. They have learned to depend on themselves and others rather than placing their trust in Christ. The most important person we can point them to is God made flesh- Jesus Christ.

We are no different from them. We need to constantly choose to trust and depend on Jesus in our own lives. Jesus gave His life as a ransom for many so that we might trust solely in Him to sustain us and keep us. "I have come that you may have life and have it more abundant." John 10:10. This is our hope for now and all eternity.

I thank God for each of you and the impact your partnership is making in this community. Your vital gift leaves a lasting impression on those struggling to find hope. May we be faithful to this calling both today and in all the days to come.

Friends For Life,

Pat Page
Executive Director

Client Story

As I lay here awaiting the arrival of our little girl, I have to say how thankful I am for the ladies at The Pregnancy Center. I randomly went to the Boutique to look around when I found out I was pregnant. From there, I was referred next door to The Pregnancy Center. After talking with the ladies there, I started taking classes and preparing for our new arrival. This pregnancy was a surprise and a special blessing. A couple of years ago I donated all our baby items assuming we were done growing our family. Once I found out we were starting over again it seemed overwhelming. The ladies at the Center have helped me and prayed with me so much. We are very thankful and blessed to have received the items and the support this program offers. The ladies at The Center and the Boutique are both very supportive. Through the programs they offer with Baby Bucks and The Mommy Store, we are prepared and ready to bring our little blessing home. Thank you so much for all you helped us with!!

LITTLE BOYS MAKE BIG IMPACT

The Boutique was blessed to receive the BIG results of these 2 little boys' vision and hard work. The precious boys pictured are the sons of one of our past clients. She and her husband's lives were forever

changed by placing their faith in Christ. In the years since, their family has continued to give back to The Pregnancy Center in various ways. Most recently, the boys decided to host their very own DIAPER DRIVE. They did a great job! What a blessing to be reminded we are never too young (or too old) for God to use our willing hearts and hands. Little becomes much when God is in it. Thank you for the 1Timothy 4:12 example you set for us all!

ELSA "THE SNOW QUEEN" VISITS THE CENTER

During a season when children can often be inundated with images of ghosts, skeletons, and other scary creatures, the Angel Babies Boutique hosted a community event celebrating LIFE for local families. Hosted in the reception room at The Pregnancy Center, Elsa joined us to share the story of God's love with each child who visited. She shared the message- "You are special, and God loves you very much!" Every child was given a gift bag filled with treats, including a book affirming the message of God's great love for them. Additionally, parents in attendance received info about the parenting programs offered through TPC as well as a coupon for the Baby Boutique. Thank you to SHINE MY TIARA for making this event extra special!

TPC TEAM ATTENDS ANNUAL TRAINING

The annual Life Resources of Georgia Conference was filled with people eager to learn and to hear more about all that God is doing in the ministries represented. We felt so loved and cared for as each speaker was specifically chosen to provide training and encouragement in every area of Pregnancy Center work. This year's conference was held in Woodstock. Because of the proximity of the event, we were able to have many of our team members attend. We are so thankful for the prayer, training, partnerships, and support that went into this event. This enables us to continue with excellence the work that God has called us to.

We were delighted to have agents Janet Mueller & Dave Garner from Woodmen Life bless TPC with an outdoor beautification project. The fountain and fresh flowers in our courtyard create a beautiful and welcoming outdoor space for clients as they enter the Center, as well as a retreat for staff and volunteers to enjoy a quick lunch in the sunshine! The volunteer project team included Woodmen Life, 3 volunteers from Jasper's own 1-800-Packouts, as well as local community members and TPC staff. Afterwards, the group took a tour of the Center, where they learned more about the services we offer. If you would like to hear about group or individual service opportunities available, call the Center for current opportunities.

ANNUAL BENEFIT AT THE TATE HOUSE

On October 5, TPC hosted our annual Benefit at the beautiful Tate House. Almost 250 of you joined us for this special night as we all listened and learned more about what God is doing in and through The Pregnancy Center. From the truth shared of one of our client's struggles, we were all reminded when "We fall down, we get up." We also heard a firsthand account of God's amazing grace, healing, and forgiveness in the painful aftermath of abortion. We were again reminded that God's love and grace is what truly makes the difference. He is a way maker! What a privilege to be able to partner with you in continuing to help facilitate success stories like these.

MEET THE VOLUNTEERS- Mary Anna

Mary Anna began volunteering with the TPC team in 2019. She has a heart for the families we serve, and nowhere is it more visibly evident than in our Mommy Store. As the "Mommy Store Manager", Mary Anna keeps the inventory fresh and relevant to meet the needs of our current expectant mothers. If you run into Mary Anna in the community, you may recognize her wearing her TPC nametag. She loves to wear it while running errands as an invitation for people in the community to ask about The Pregnancy Center! We open each morning at TPC in prayer. On the days Mary Anna leads our prayer, it is a blessing to hear her humble and precious heart for others. Thank you, Mary Anna, for your service, your heart, and your example!

JANUARY IS SANCTITY OF HUMAN LIFE MONTH

Sunday, January 16, 2022, is Sanctity of Human Life Sunday. During the month of January, the Pregnancy Center team looks forward to sharing at local churches in the community. We would be honored to speak in your group or church or provide printed information for your congregation or group. We have other opportunities to partner with us in this special season. Your church is invited to host a Baby Shower for TPC, or to partner with us in a fun and easy fundraising opportunity using our Baby Bottle Boomerang Program. Please contact the Center at info@babyontheway.org or 706-253-6303 for details on any of these opportunities for the month of January. "Every human life is a gift to the world. Whether born or unborn, young or old, healthy or sick, every person is made in the holy image of God. The Almighty Creator gives unique talents, beautiful dreams, and a great purpose to every person. On National Sanctity of Human Life Day, we celebrate the wonder of human existence and renew our resolve to build a culture of life where every person of every age is protected, valued, and cherished."

EVERY life is a GIFT!

NEW PRAYER OPPORTUNITY

Each day is different at TPC. One thing that is the same EVERY day, is the need for PRAYER. Clients are often making crucial decisions in their own lives, and the lives of their children. Our Client Advocates also need prayer as they share truth, wisdom, and love with those seeking support. The need for faithful Partners in Prayer is great! Would you consider joining us in this important work? You can now receive prayer needs in "real time" via text message. Upon registering, you will typically receive 1-3 messages per week. Occasionally, you may even receive a quick update of praise as we thank God together for lives being changed! To join in Prayer Team text Alerts, please visit www.LifePrayerPartner.com/TPCPrayerPartner. As always, you can be assured that we do not share your contact info with any other organization.
