Service by Example

Dear Faithful Friends,

Volunteers are some of the world's most incredible people! Without them we are unable to accomplish what is done here at The Pregnancy Center.

One special volunteer, Robie Rens (and husband, Arlen), recently retired after 15 years of faithful service as TPC's Director of Client Services. I first met Robie when I began working at the Center in 2009. I loved her zeal and energy for serving our sweet girls, her bright smile, honesty, and humor. She was always welcoming to everyone who called or came to the Center.

Robie wore many hats. She kept our plants from dying, made coffee, emptied trash, attended local outreach events, served at the annual banquet, spoke at events, gave many tours at of the Center, and brought fresh eggs and home-grown veggies to share. Often, I would walk in my office and see a beautiful arrangement of flowers on my desk from her garden.

The biggest lesson Robie taught was her love for others. Everyone felt loved by Robie. As a client advocate, she would laugh, cry, pray, share truth, and speak honestly as she counseled girls with compassion and care. She would sit in the waiting room and talk to new moms, hold their babies, and discuss the challenges of motherhood. She knew how to welcome and connect with even the shy moms and dads. There were times a mom had no one but Robie at the hospital when their baby was born. She attended birthday parties and

took girls out to lunch to encourage them in times of need.

Robie purchased things behind the scenes as needed with her own money. She taught me about tough love and taught me how to work with even the hardest cases. She is a true sister to me, and I will continue to learn from her and be there for her in the coming years.

So, if you are wondering how to serve others, remember that what we do "as unto the Lord," is what truly counts for eternity. At TPC, we love to see relationships begin, develop, and mature, as we offer tangible help and spiritual hope to the Glory of God!

Thank you Robie for the legacy you left for us to follow. Your passion for the Lord and your love for others will never be forgotten. We will continue to carry the torch for Life!

Friends For Life,

Pat Page
Executive Director

TPC Staff & volunteers surround Robie Rens at her final Staff & Volunteer Appreciation Luncheon. We miss Robie, but we are thrilled that she will be closer to her children and grandchildren!

Angel Babies Boutique

One Client's Story

I've always known about The Pregnancy Center here in my small town, but I never knew exactly what it was all about and just how blessed I could be from it. When I was pregnant with my first daughter back in 2018, my mom told me about the classes offered at the Center and how you can earn different incentives by taking classes. I decided to check it out and I was blown away at all they offered. You can earn baby bucks with each class that can be used in exchange for all kinds of items for your baby. Clothes, blankets, accessories, diapers, wipes, toys, even cribs and car seats! I was fortunate to be blessed to earn enough baby bucks for a car seat and a crib for my daughter, plus many other items. **The Angel Babies Boutique next door, where you can spend your baby bucks is such a great outreach for the community as well. It's not just for women who take the classes. It is for anyone in the community.** Not only are the incentives amazing, but the courses are also very informative and helpful during your pregnancy. They offer over 500 in person and online classes for other stages of your child's life as well! This is my second time participating in the program and it's been just as wonderful as it was with my first pregnancy! My absolute favorite part about the Center is the fact that they are Christian faith based and I've met some of the kindest, most wonderful Christian ladies who have blessed my life and my children's lives. I've had so many words of encouragement and love spoken to me and prayed over me that I am forever grateful for. Every woman should check out The Pregnancy Center. You won't regret it and you'll be blessed for sure!

MEET THE VOLUNTEERS- DOUG

Over the past year, we have seen a progressive increase in new fathers coming to the Center for support, guidance, and mentoring. This has created a need for male mentors/advocates. Many of these young men desire to be great dads and are thankful for the mentorship a mature Christian man can offer. After praying about what the Lord would have him do in ministry during the next season of his life, God directed Doug to the Center to serve. We are so thankful the Lord led him here!

Wings of Hope
INFANT LOSS
MEMORIAL GARDEN

Wings of Hope Infant Loss Memorial Garden will provide a place for grieving families to gather to remember a life so little yet loved so much. Infant loss can happen for different reasons at many different times during a pregnancy. Often there are no remains to be laid to rest. Wings of Hope will provide families a personalized stone that can be placed in the gardens as a permanent memorial to a precious life.

If the family would like a small memorial service, then Pleasant Hill Christian Church would be happy to provide that. We hope this is a place that will bring families comfort and peace.

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."
Romans 15:13

Wings of Hope is brought to you by a partnership between The Pregnancy Center and Pleasant Hill Christian church. Wings of hope is located on Pleasant Hill's property at 36 Camp Dobbs Rd Jasper, Ga

The Chamber of Commerce After Hours event was recently hosted at TPC. Our Assistant Director Renee shared with the group.
